

**MCCLLOUD COMMUNITY SERVICES DISTRICT
RESOLUTION NO. 05, 2023**

Resolution of the McCloud Community Services District Adapting
Level One of Ordinance No. 30 Emergency Drought Water Program Previously Passed and
adopted by the MCSD Board of Directors On March 13th, 2023.

Whereas, conservation of current water supplies and minimization of the effects of water supply shortages that are the result of an emergency drought or necessity in order to prevent water contamination are essential to the public health, safety and welfare; and

Whereas, regulation of the time of certain water use, manner of certain water use, design of rates, method of application of water for certain uses, installation and use of water-saving devices, provide an effective and immediately available means of conserving water; and

Whereas, California Water Code sections 375 et seq. authorize water suppliers to adopt and enforce an emergency drought water program; and

Whereas, adoption and enforcement of an emergency drought water program will allow the McCloud Community Services District to delay or avoid implementing measures such as water rationing or more restrictive water use regulations pursuant to a declare water shortage emergency as authorized by California Water Code sections 350 et seq.; and

Whereas, pursuant to water Code section 376 and Government Code 6061, the MCSD must publish in a newspaper of general circulation any ordinance or resolution adopting an Emergency Drought Water Program within 10 days after its adoption; and

Whereas, on July 16th, 2022 the MCSD declared the existence of a local water emergency; and

Whereas, on February 13th, 2023, the MCSD held a public hearing and made appropriate finding of necessity for the adoption of an Emergency Drought Water Program; and

Whereas, Water code 377 establishes that, from the publication of an ordinance or resolution pursuant to section 376 until the repeal of the ordinance or end of the emergency, it is a misdemeanor punishable by up to 30 days in county jail and/or a fine of up to \$1,000 for any person to violate a requirement of the emergency drought water program; and

Whereas, this ordinance will provide guidance for the MCSD to manage water supply and demand within all areas supplied water by the MCSD in the event of a water supply disruption due to drought, earthquake, fires or other natural disasters or emergencies. It addresses progressive situations, such as those that are weather-related where conditions may change over time, and more immediate situations, such as facility emergencies like a pipeline break. The MCSD has primary responsibility for administering and Implementing this ordinance; and

Whereas, the Emergency Drought Water Program measures and sets progressive restrictions on water use and method of use identified by this ordinance provide certainty to water users and enable MCSD to control water use, provide water supplies, and plan and implement water management measures in a fair and orderly manner for the benefit of the public,

NOW THEREFORE, BE IT RESOLVED, that all customers must copy with level one:
