7100.10 Purpose

7100.11 The McCloud Volunteer Fire Department is proud to be a volunteer fire department. Our explorer firefighter program was established to develop youth with skills in fire training and service. Being an explorer firefighter is a rewarding way to learn these skills. All training, uniforms and personal protective equipment are provided at no cost. However, all equipment will need to be returned once the Explorer firefighter exits the program. Being a firefighter is a dangerous job. Strict laws exist to protect minors from the most hazardous situations. For example, explorer firefighters will never enter a burning building or operate on top of a roof. The McCloud Volunteer Fire Department takes safety very seriously and will not tolerate horseplay during exploring training or real emergencies. It must also be recognized that during emergency conditions, an explorer might be asked to complete a task prohibited by law. In this case, the explorer member must take responsibility to alert the member asking him/her to do the task that it is prohibited. The explorer should then report the request to command at the scene. Once back at the station, explorers should report such incidents to an explorer advisor so that follow up training can be provided to the crew. AN EXPLORER SHOULD NEVER INTENTIONALLY BREAK THE LAW, EVEN IN AN EMERGENCY SITUATION.

7100.20 Introduction

7100.21 The McCloud Voluntary Fire Department Explorer Program has adopted the requirements set forth by the Boy Scouts of America, “Learning for Life” career exploring program to be an Explorer firefighter. Explorer firefighters must be at least 14 years old but not older than 18 years old, Explorers should be willing and able to attend at least 50% of scheduled meetings and required trainings. We believe in and support our Explorers in making school, school functions and sporting events their top priority. Explorers will need to notify their advisor when they will be absent due to school events. The Special trainings are optional but highly encouraged. Explorers must maintain a 75% average or higher in their schoolwork to remain active. Explorer firefighters need to be self-starters and be willing to learn. Explorers who regularly

strive to learn more and be involved will be rewarded with increasing levels of responsibility and opportunities. The fire department is proud of its members. Explorer members are expected to conduct themselves in a professional manner when representing the fire department including abiding by all HIPPA regulations. Talking about internal fire department activities including finances and other fire departments reduces the public trust and will be dealt with appropriately. We are happy to have you as a member of the McCloud Volunteer Fire Department. We look forward to some great training and your assistance during actual emergencies.
